Luciano Boemi, MD, FACS

Welcome to our first newsletter, *the Beauty Letter*, which will keep you updated with exciting and informative news, such as our new and featured services. We hope you enjoy hearing from us and we invite you to come in for a visit. Our medically-directed spa is known for amazing results that will change and rejuvenate your skin to create a more youthful appearance.

We have recently expanded our services and now offer **PALOMAR STARLUX LASER** treatments, the most versatile, effective and comfortable aesthetic treatments to remove unwanted hair on your upper lip, underarms, legs, face, neck, back and bikini line. Don't forget gentlemen, this service is available to you too!

We offer cost-saving laser treatment "packages" for wrinkle reduction, age spots, sun damage, rosacea and spider veins. If you've been thinking about laser treatments and would like to learn more about the *Palomar Starlux Pulsed Light System*, please call our office to receive a complimentary phone consultation or visit: www.palomar.com.

This month, the Swan Lake Spa is featuring **FILLER** treatments and **PERMANENT MAKE-UP** services. Receive 15% off any filler treatment or permanent makeup treatment in the month of March!

If you like **BOTOX** cosmetics, call us to receive **\$150 OFF** on a series of four treatments with our cost-saving, **VIP AWARDS PROGRAM**.

Ask about our **SAME DAY APPOINTMENT** where you can be treated with any of our injectable fillers, such as Restylane, and Radiesse, on the same day you call us!

Don't miss our **MARCH SPECIAL** which gives you **15% OFF** on all permanent make-up services: eyeliner, lip liner, eyebrows, and more. Call Lisa, who is available to consult with you now. Come in and see her stunning collection of "before and after" photos which will inspire you!

Dr. Luciano Boemi is highlighting **MINIMALLY INVASIVE FACIAL PROCEDURES** during the month of March. Call to find out if you're a candidate for the **EUROPEAN VERTICAL LIFT**, a popular "mini-lift" procedure done right in the office. Call today and receive **50% OFF** your consultation fee.

JUVEDERM is the most popular filler. It is a "next generation" filler made from hyaluronic acid, which adds hydration and volume to diminish wrinkles and folds. This filler is an injected gel and a non-surgical, physician administered treatment. It is **15% OFF** during the month of March.

Please attend one of our seminars. Meet Dr. Boemi, enjoy our slide and video presentation, learn about the procedure you are interested in, view before and after photos, ask questions and tour our facility.
